

HALAL AND KHOSER POLICY

TOLSA's commitment to Quality, Environment and Feed Security assures a framework of continuously improvement in these areas. For that reason, the scope has been extended by integrating Halal and Kosher in company politics.

The TOLSA's corporate mission is to GROW profitably and lead the markets in which we are present based on fundamental principles: INNOVATION, PRODUCTIVITY and SUSTAINABILITY in TOLSA 's activity, accompanied by a passion to offer the best CUSTOMER service possible.

In its objective of satisfying the needs of its customers, TOLSA adopts the commitment to meet those specific food and regulatory requirements of the Halal and Kosher standards, trying to achieve maximum customer satisfaction, with the best possible efficiency and greater and better management of available material and human resources, as well as assume the highest level of food safety. We want to be prepared to face the changes that occur in our socioeconomic environment, transforming them into opportunities.
